- Judging System

There will be 4 judges in each class and for the championships (if there is no conflict with a judge). Each judge gives 1-20 points (half points may be given) for 5 topics: a) type, b) head & neck (judged together), c) body, d) legs, e) movement. The Top 3 of each class are expected for the prize ceremony.

- Rules and Regulations

You can find all general entry requirements and restrictions on the Blue Book 2023.

Important, please read below the new rules of the Blue Book 2023 applicable on August 1, 2023.

Hereditary disorders:

Overbite/underbite of more than 1 width of tooth is not permitted. Horses 12 months old and older cannot compete unless they have a veterinary certificate to verify that they do not have overbite/underbite.

Cryptorchidism: Colts 24 months old and older or stallions cannot compete unless they have a veterinary certificate to verify that they do not have cryptorchidism. If the colt's condition changes, and upon a completed veterinary certificate, the horse is then eligible to compete.

- Rules for Championships

The organizers decided to use: Open method: The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue. 1. The Championships will be judged as follows: a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers. b. The horses will be judged individually, standing and trotting. c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship. Points will be given to the nominated horses as follows: A horse nominated by a judge for Gold Medal will receive 4 points. A horse nominated by a judge for Silver Medal will receive 2 points. A horse nominated by a judge for Bronze Medal will receive 1 point. The Gold Medal

will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points. From the remaining horses: The Silver Medal will be awarded to the horse with the highest number of championship points. The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points. In the case of a tie, the Rules for Ties in championships will be followed. The judges will not discuss the horses. 2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made. 3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship. 4. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship. During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the ringmaster/DC.

- Rules for Ties in Qualifying

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. If the highest and lowest points are eliminated, only the remaining points

for type and movement are considered in the tie break. Failing a decision on either of these, one judge chosen by ballot will name his preference.

- Rules for Ties in Championships

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tie break. If there is still a tie, the rules for ties in qualifying places will be applied.

- Additional rules for championships chosen by the organizer:

For the International-C show, the 3 best-placed horses in the event which are in competition, if classes equal or less than 5 horses only the 2 best placed horses will be qualified for the championships.

For the European Egyptian Event exhibition, the 3 best placed horses of the class which are in competition will be qualified for the Championships, if classes equal or less than 5 horses only the 2 best placed horses will be qualified for the championships.

The 3 The best placed horses in each class that compete will qualify for the Yearling Championships.
